- The UVA Mobile Mammography Coach performs screening mammograms only. Women who have a history of breast problems, please contact your physician to discuss your options.
- You must have a current, active relationship with a physician. Please have your physician's full name, address and phone number when you call to make an appointment.
- Women 40 and older should talk to their doctor about their risk factors for breast cancer to determine frequency of mammograms.
- The cost of this screening will be billed to your insurance company. Programs exist to cover the cost of exams for women with no health insurance. Please ask about these programs when you call to schedule your appointment.
- The results of your mammogram will be sent to your physician.
